

*"I know the intricacies involved in performing a legally compliant search. My depth of knowledge ensures that OPENonline's services are not only up-to-date, but follow FCRA guidelines."*

## Angela L. Bosworth

Executive Vice President

As Executive Vice President, **Angela Bosworth** provides leadership to the company's management staff and offers direction on general business matters, operational policies and procedures, new business initiatives, and the management of client relationships.

**Ms. Bosworth** has also served as Vice President of Operations and general counsel for the company, offering oversight and guidance regarding all legal matters impacting the business, as well as directing the company's governmental affairs, compliance and policy initiatives.

Before joining OPENonline in 2001, **Ms. Bosworth** practiced law in Columbus and held the position of director of member and professional development services for the Ohio State Bar Association. She is engaged in a number of public service and community activities, including charitable board appointments and service on the State of Ohio Privacy/Public Records Access Study Committee. **Ms. Bosworth** is a member of the Ohio State Bar Association, The Columbus Bar Association, and the National Association of Professional Background Screeners.

**Ms. Bosworth** holds a law degree from Capital University Law School and a Bachelor's degree in political science and English literature from Ohio Dominican College, and is licensed to practice law in the State of Ohio.
